Thanks

Just talked to the group in office over the phone. Warm feeling that we are altogether.

The law firm is Deckert, their hk branch people will approach the office for support. they should be accompanied by people from 23rd floor. Coordinate with them.

As I said , this is a battle of honor and for clearing the CEFC name.

We will have to make the whole world aware of what we have done, in events, in publications, in research etc.

Get everything out in the open and in the media in Chinese and in English.

You should get : Fong, XG, WK ST and you , should sit together and draw up a list of things to do and articles or presentations to work on, venues to post and publish them, and an overall work plan for the next three months. All these do not need my approval. Have to post my name in the title and the headline. The purpose is to sell me and CEFC.

Prepare a press release in Chinese and in English: key words: public diplomacy, energy diplomacy, helping Chinese enterprises "going Out", in accordance to the Belt and Road Initiative and its spirit.

Thanks for everything.

Dear YD: in time like this, one just has to count his friends.

I hope that you can play a role in liaising between the parties.

I will never do anything to dishonor my name, my family, my Company CEFC, and my Country.

Please tell SH that we need solidarity most at this time, and cannot be divided.

I look forward to seeing you this Friday for visitation, but I heard that you have also to fill out the form

from this MCC. will try to get the forms tomorrow from the office and mailo them to you via Trump Tower address, please give me the complete address of Trump Towers. Please tell ZY to fill out such a form also.

Please continue to correspond with me through emails, the only way I get any news from outside. Your phoe number will also be very useful, please let me have them.

I am in fighting spirit, and will fight to the end.

Please tell SH , if we are on the same line, with their support, I will fight to the very end.

For it is not only HO who is on trial, it is CEFC, the Company, Country and Chinese values are on trial.

I hope the Gods have been awakened and starts acting.
